

PRODUCT BULLETIN

Film Processing Machine Spare Parts

Wiper Blades and Accessories

We have an extensive range of all popular wiper blades and vacuum head assemblies. Custom blades and assemblies can also be made to your specifications.

Film Rollers and Bearings

We can supply an extensive range of rollers, bearings, tyres, shafts and assemblies. Again, custom assemblies can be made to your specifications

Drive and Rack Components

We manufacture and supply drive train and rack components including shafts, magnets, magnet housings, gears, bearings, divider plates and roller assemblies.
